AMENDMENT

Asst. Commissioner for Patents
Washington, D.C. 20231

Sir:

Responsive to the office action of April 10, 2002, please
amend this application as follows:

IN THE CLAIMS:

Cancel all of the claims and add the following claims:

--40. A pharmaceutical, hygienic or cosmetic composition comprising as active ingredients a combination of seawater and a basic amino acid found in its natural form, or its salts or esters or at least one of a plant and animal extract, or a phytoplankton extract form, in combination or admixed with an inert non-toxic carrier or excipient, appropriate for the said application.

41. A pharmaceutical, hygienic or cosmetic composition of claim 40, wherein the amount of sea water ranges from 3 to 99% by weight, and the amount of a basic amino acid or its salts or esters ranges from 0.0001 to 10% by weight, based on the total weight of the composition.
